

Shipping Rates for Alaska, Hawaii & Puerto Rico

The cost to ship items from each product category to Alaska, Hawaii and Puerto Rico varies by item, shipment and shipping option.

Your total shipping cost is calculated by adding the "Per Shipment" cost and the "Per Item" cost. If the "Per Item" cost is listed in terms of price per pound, you can check the weight on the item's detail page.

Important: Heavy items and items containing hazardous materials may not be eligible to ship to Puerto Rico. Additional restrictions may apply to items shipped to Puerto Rico.
