

Shipping Rates to U.S. Territories & Freely Associated States

The cost to ship items from each product category to American Samoa, Guam, Northern Mariana Islands, Marshall Islands, Federated States of Micronesia, Palau, and the U.S. Virgin Islands varies by item, shipment and shipping option.

Your total shipping cost is calculated by adding the "Per Shipment" cost and the "Per Item" cost. If the "Per Item" cost is listed in terms of price per pound, you can check the weight on the item's detail page.
